

GLENBEIGH CONSTRUCTION LTD

QUALITY POLICY

Our Business

Glenbeigh Construction Ltd. was established in 1985 and has over 30 years experience in commercial, refurbishment, fit-out, new build management and construction works as well as bespoke System Building. We are a progressive and market leading innovative company with a reputation founded on the quality of our end product and responsiveness to our clients tailored needs.

Our Strategy

Our strategy is to carry out all works in accordance with industry standards, legal and regulatory requirements, client contractual requirements, the needs and expectations of interested parties, within budget and in the agreed time frame allocated. We pride ourselves on our list of repeat business customers in both private and public sectors, thus providing sustainability and predictability to our business and delivering competitiveness and certainty to our customers who, like us, maintain focus on a successful end product.

Our Staff and Customers

Our activities are managed by experienced and trained personnel, who receive the required support from management in order to fulfil their responsibilities towards good quality workmanship and achievement of objectives and plans. The Senior Management Team are committed to staff development through a programme of Continuous Professional Development (CPD).

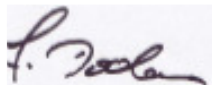

Quality Management

We have implemented a Quality Management System in accordance with the requirements of ISO 9001:2015 as part of our Integrated Management System and aim to achieve the following objectives:

- To promote leadership and commitment throughout the Company
- To implement systems and procedures to facilitate continual improvement.
- Use this policy as a framework to set quality objectives.
- To ensure that we continue to be customer focused and respond to the needs and expectations of our customers and other internal and external interested parties.
- To fulfill the Glenbeigh Construction Ltd objectives and plans our key strategic focus relates to:
 - The delivery of Quality products,
 - Efficiency in construction processes,
 - The development of innovative techniques,
 - The delivery of end products tailored to meet clients' needs,
- To ensure that we maintain a well trained and customer focused workforce that continue to deliver projects on time and within budget.
- To ensure that this policy is understood, implemented and maintained by all persons working for and on behalf of Glenbeigh Construction Ltd.
- To publish the Quality Policy internally, by communication to all staff and posting the policy on our web site, and externally to all interested parties on request.

The Glenbeigh Construction Ltd Management Team supports this policy and aim to ensure that it is understood, implemented and maintained by all persons working for and on behalf of Glenbeigh Construction Ltd.

This Policy shall be reviewed at least annually.
